Learned and learnt The verb to learn means to acquire knowledge of, or skill in, something through study or experience. To learn is one of those verbs with both an irregular form and a regular form. (See the table below for some others.) The past tense and the past participle can be written as either learned or learnt. However, they are not interchangeable, especially in the US.

The difference between learned and learnt (grammar lesson)

Bread Recipe: Two Ingredient Bread - Lessons Learnt Journal

1. Learn, ascertain, detect, discover imply adding to one's store of facts. To learn is to add to one's knowledge or information: to learn a language. To ascertain is to verify facts by inquiry or analysis: to ascertain the truth about an event. To detect implies becoming aware of something that had been obscure, secret, or concealed: to detect a flaw in reasoning.

Learnt | Define Learnt at Dictionary.com

Tom was hanging over his Latin grammar, moving his lips inaudibly like a strict but impatient Catholic repeating his tale of paternosters; and Philip, at the other end of the room, was busy with two volumes, with a look of contented diligence that excited Maggie's curiosity; he did not look at all as if he were learning a lesson.

Lesson - definition of lesson by The Free Dictionary

Authors who have abstracts accepted and will be attending #ISR110 conference may submit their papers for a special issue of Internet Interventions with no fees. Deadline is 30 April 2019.

Pre-Conference Workshops - ISRII: The Next Generation

Considering the lack of a common and structured approach to evaluate manuscripts for academic journals, this study examines top-quality reviewers' perceptions of peer review and synthesizes their approaches to produce a reference guide to help reviewers, especially inexperienced scholars, understand the process.
