African Canadians In Union Blue

In 2019, the African Union faces many challenges, with conflicts old and new simmering across the continent. To help resolve these crises – our annual survey lists seven particularly pressing ones – the regional organisation should also push ahead with institutional reforms.

Eight Priorities for the African Union in 2019 | Crisis Group

During the American Civil War, the Union Army referred to the United States Army, the land force that fought to preserve the Union of the collective states. Also known as the Federal Army, it proved essential to the preservation of the United States of America as a working, viable republic.
