Chef's Note "If you like lemon, you're going to love this cake! Saw this recipe being made by the Barefoot Contessa on FoodTV and just had to have it.

### **Incredible Lemon Cake Recipe - Genius Kitchen**

My family enjoyed this very much. It's not as heavy as a traditional pound cake, and at first I thought it wasn't lemony enough. I might try using lemon extract the next time, but one of the things I like about this recipe is that the flavor wasn't overpowering or "fake," like some store-bought cakes can be, for example.
