Dragon City Breeding - Dragon City Guide

Breeding is a feature which allows the player to mate two owned dragons (minimum level 4 each) to generate a dragon egg from variety of breedable dragons. This is done in one of the breeding structures and allows players get dragon eggs without spending gold or gems. The game randomly selects...

Breeding | Dragon City Wiki | FANDOM powered by Wikia

The following breeding pairs require the offspring of Generation 1 pairings as parents. These pairings can also create the same species as Generation 1 Breeding, by passing on only half of their elemental makeup. Please check the Generation 1 Breeding Guide for clues as to how the Generation 2 pairings might turn out.
