The Volkswagen California is one of the most well-known camper vans the world over, and according to VW, it's also the most successful. The German automaker has sold more than 160,000 Transporter ...

Volkswagen makes the world's favorite camper van bigger ...

The California Trail was an emigrant trail of about 3,000 mi (4,800 km) across the western half of the North American continent from Missouri River towns to what is now the state of California. After it was established, the first half of the California Trail followed the same corridor of networked river valley trails as the Oregon Trail and the Mormon Trail, namely the valleys of the Platte ...

Planning a California Pacific Coast Highway road trip? Driving along the California Pacific Coast Highway is perhaps one of the greatest road trips in the world. Over the past five years, I was very lucky to have the opportunity to visit many of the towns and city's along the Golden Coast. But it was not until this past summer that we did a full road trip from San Francisco to Los Angeles ...

Planning a Pacific Coast Highway Road Trip from San ...

California English (or Californian English) collectively refers to American English in California, particularly an emerging variety, mostly associated with youthful white speakers of urban and coastal California. California is home to a highly diverse population and an emergent vowel shift

only first noted by linguists in the 1980s, most heavily researched in Southern California and the San ...

The color-coded "CaliforniaTruck Network Map" for State highways is the official government source for truck route information. There are many private truck route guides, e.g., the Rand McNally Motor Carrier Atlas and various GPS systems. However, the accuracy of those private guides cannot be guaranteed, and must be verified by consulting the official "Caltrans Truck Network Map."

CA Truck Network Map - California Department of Transportation
