Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.

Teaching Tolerance | Diversity, Equity And Justice

At Scholastic, we believe that the development of robust literacy skills is at the very heart of empowering children to thrive in school and in life.

Amazon is reportedly in talks to offer a free, ad-supported tier of its music service, according to a report from Billboard. Although there aren't details about whether it will be more radio-like or on-demand, Billboard suggests this new free service will emphasize Amazon as a direct competitor to market leader Spotify. Amazon plans to market the new option through its Echo speakers, and ...

The basic beliefs and traditions of The Church of Jesus Christ of Latter-day Saints (LDS Church) have a cultural impact that distinguishes church members, practices and activities. The culture is geographically concentrated in the Mormon Corridor in the United States, and is present to a lesser extent in many places of the world where Latter-day Saints live.
