Dr John Harvey Kellogg And

John Harvey Kellogg, M.D. (February 26, 1852 – December 14, 1943) was an American medical doctor, nutritionist, inventor, health activist, and businessman. He was the director of the Battle Creek Sanitarium in Battle Creek, Michigan. The sanitarium was founded by members of the Seventh-day Adventist Church. It combined aspects of a European spa, a hydrotherapy institution, a hospital and a ...

John Harvey Kellogg - Wikipedia

Dr. John Harvey Kellogg. In 1876, at age 24, Dr. John Harvey Kellogg became the staff physician at the Battle Creek Sanitarium (The San), a position he would hold for 62 years. Kellogg was not a true quack. His surgical skill was admired by the Doctors Mayo. A vegetarian, he advocated low calorie diets and developed peanut butter, granola, and toasted flakes.

Corn flakes, or cornflakes, are a breakfast cereal made by toasting flakes of corn (). The cereal was created by John Harvey Kellogg in 1894 as a food that he thought would be healthy for the patients of the Battle Creek Sanitarium in Michigan where he was superintendent. The breakfast cereal proved popular among the patients and the Kellogg Company (Kellogg's) was set up by Dr. John's brother ...

The earliest reference to peanut butter can be traced back to the Ancient Incas and the Aztecs who ground roasted peanuts into a paste. However, modern peanut butter, its process of production and the equipment used to make it, can be credited to at least three inventors. In 1884 Marcellus Gilmore Edson of Canada patented peanut paste, the finished product from milling roasted peanuts between ...

1898 — In a fortunately failed attempt at making granola, our company's founder, W.K. Kellogg, and his brother, Dr. John Harvey Kellogg, changed breakfast forever when they accidentally flaked wheat berries. W.K. kept experimenting until he flaked corn, and created the delicious recipe for Kellogg's Corn Flakes. 1906 — W.K. Kellogg opened the "Battle Creek Toasted Corn Flake Company

Like any food trend, though, the marketers took over the purists' work. Dr. Kellogg felt particularly bitter about the development: the two most successful cereal entrepreneurs were his brother, Will Keith Kellogg, and one of his former patients, C.W. Post, who Dr. Kellogg accused of stealing the corn flake recipe from his safe.. Each man created cereal companies, the Kellogg Company (which
