### **Online Drum Lessons - Free Drum Courses by Drumeo**

Welcome to the Legacy Lessons! We launched FreeDrumLessons.com in 2007 as the first-ever online library of video drum lessons. Technology has come a long way since then, and we've created a new video series to help you learn the drums. However, some students still enjoy the original lessons - and we've kept them here on this page for you to access anytime.

A polyrhythm is a combination of two or more rhythms played simultaneously while moving at the same linear tempo. So generally speaking, two rhythms are considered a polyrhythm if the number one is their only common divisor.

### **What Is A Polyrhythm - Advanced Drum Lessons**

In percussion music, a rudiment is one of a number of relatively small patterns which form the foundation for more extended and complex drum patterns. The term "rudiment" in this context means not only "basic", but also fundamental.While any level of drumming may, in some sense, be broken down by analysis into a series of component rudiments, the term "drum rudiment" is most closely associated ...
