Erotic Romance Series

Erotic romance novels are stories written about the development of a romantic relationship through sexual interaction. The sex is an inherent part of the story, character growth, and relationship development, and could not be removed without damaging the storyline.

Sex in film is the presence in a film of a presentation of sexuality. Since the development of the medium, the presence in films of any form of sexuality has been controversial. Some films containing sex scenes have been criticized by religious groups or have been banned or the subject of censorship by governments, or both.

Romance Films: Romance films are love stories, or affairs of the heart that center on passion, emotion, and the romantic, affectionate involvement of the main characters (usually a leading man

and lady), and the journey that their love takes through courtship or marriage. Romance films make the love story or the search for love the main plot focus.

A day of celebration turns to horror as six engineers turn to their clan robots for a chance at planetary survival. A small chance. A human colony preparing to celebrate three hundred years on its new world is suddenly faced with an enemy that harkens back to their early days on Hera. The giant bots that saved the colony have been dormant for nearly two centuries.
