Valencia has a growing number of expats and digital nomads, and for good reason! I am currently living in Valencia myself and I think the quality of life here, especially for expats and digital nomads, is great.. In this Ask an Expat series I interview people living all over the world but outside of their home country. I try to help paint an honest picture of the ups and downs of life abroad ...

Retrieving and acting on memories of food-predicting environments are fundamental processes for animal survival. Trouche et al. show in mice that the behavioral manifestation of spatial appetitive memory requires a direct neural pathway from dorsal hippocampus to nucleus accumbens. This pathway engages dCA1 with a select population of accumbens parvalbumin-expressing fast-spiking interneurons ...

Hollywood inspired me to go to Morocco. Tense psychological dramas like Babel and Allied, the 1942 classic Casablanca and action epics like Troy and Gladiator. Those who are old enough won't easily forget footage of The Rolling Stones galivanting around Morocco in the 1960s or that riotous episode ...
