Life Skills for Teachers. It's not just our students who need life skills - we all do! Developing our own life skills as teachers helps to keep us motivated in our teaching as well as understand how we can get the most out of our students when it comes to providing them with the skills they need.

Life Skills for Teachers - Macmillan English

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...

Just Dance Inc. - Dance for fun, dance for fitness.

Based on a longitudinal study on Swedish teachers' (N = 87) career trajectories this article presents a comparison between quantitative and qualitative data within the cohort and puts this in relation to general statistics on teacher attrition. The analysis indicates that caution is advised in interpreting and making use of general statistics.
