### **Game Guide Resident Evil 6**

Resident Evil is a survival horror video game developed and published by Capcom. Released for the GameCube video game console in 2002, it is a remake of the 1996 PlayStation game Resident Evil, the first installment in the Resident Evil video game series. The story takes place in 1998 near the fictional Midwestern town of Raccoon City where a series of bizarre murders have taken place.

The Resident Evil series has been around for over twenty years now, and while it's certainly had its high and low points through the years, it remains a beloved series. While the first game didn't invent survival horror, it sure made the genre popular, and Resident Evil 4 would later redefine third person action games for years after release. Just the name alone conjures unforgettable ...
