I couldn't disagree more with USA TODAY's editorial on finding a compromise over immigration to reopen the government. Let me start by saying we don't need so much government. It burdens people ...

Shutdown lesson? We can survive without federal government ...

The German Government recently put online a website called Zanzu, my body in words and images, that "explains sexual and reproductive health" in the West to migrants.It is exclusively aimed at them, as the explanatory video stipulates it at 00:04 (for non-German speakers).. The problem is that what the government depicts as being normal pushes the idea without naming it—that interracial ...
