It is important to stay on the latest bug fix release for the version of the product you are using (this is best practice). For example if you are on Jira Software 7.5.0, you should upgrade to Jira Software 7.5.3 proactively.

Security Bugfix Policy | Atlassian

Check if your spelling is correct, or try removing filters. Remove quotes around phrases to match each word individually: "blue drop" will match less than blue drop. You can require or exclude terms using + and -: big +blue drop will require a match on blue while big blue -drop will exclude results that contain drop.
