Ingredient Review. We'll begin this review of Iams Veterinary Formula Renal Plus with a detailed discussion of the ingredients. The first ingredient is corn meal. Corn meal is another name for ground corn. Corn is a cereal grain which provides a modest amount of vitamins, minerals, and plant based protein.

Is Mars getting out of the pet food business? Update: Mars Petcare emailed me at 8 PM ET this evening stating: "There is no truth to the statement that Mars Petcare has sold Iams and Eukanuba pet food brands." and "We just shared with retailers that beginning in early 2017 the Iams Veterinary Formula products will be discontinued in the U ...
