Lecture 3 The Medieval World View (2) The Fourth Lateran Council was a watershed in the religious life of the middle ages. On November 11, 1215, Pope Innocent III painted an alarming picture of a Church dissolving in a sea of heresy.He could paint such a picture because the success of popular heretical and evangelical movements, such as the Waldensians and Albigensians, was positively explosive.

Scholasticism is a term used to designate both a method and a system. It is applied to theology as well as to philosophy. Scholastic theology is distinguished from Patristic theology on the one hand, and from positive theology on the other. The schoolmen themselves distinguished between *theologia speculativa sive scholastica* and *theologia positiva*. ...
