So by itself America's Army is not that successful as a realist text. However, with the advent of two new games America's Army may be seen in a new light as the realist fantasy/illusion it is. These two new games are Special Force (2003, Figure 4) released by the Lebanese organization Hizbullah and Under Ash (2001) released by the Syrian publisher Dar Al-Fikr.

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.

Western theatre - Theatre of the 20th century and beyond: The achievements of realism at the end of the 19th century continued to resonate through the turn of the 21st century, but the most influential innovations in early 20th-century theatre came from a vigorous reaction against realism. Just as the visual arts exploded into a chaos of experiment and revolt, generating numerous styles and ...

What new language features does C++11 provide? You don't improve a language by simply adding every feature that someone considers a good idea. In fact, essentially every feature of most modern languages has been suggested to me for C++ by someone: Try to imagine what the superset of C99, C#, Java, Haskell, Lisp, Python, and Ada would look like.
