Various aspects of the relationship between religion and science have been cited by modern historians of science and religion, philosophers, theologians, scientists, and others from various geographical regions and cultures. Even though the ancient and medieval worlds did not have conceptions resembling the modern understandings of "science" and "religion", certain elements of these modern ...

The Secret Relationship Between Blacks and Jews is a book released in 1991 by the Nation of Islam that asserts that Jews dominated the Atlantic slave trade. The Secret Relationship has been widely criticized for being antisemitic and for failing to provide an objective analysis of the role of Jews in the slave trade. The American Historical Association issued a statement condemning claims that ...

Effie (Mary Coustas) - Wog stereotype accent . Myth 3 – Poor Australians speak with a broad Australian, cockney or low class accent. Much like the character of Effie, the characters of Kim & Kim involved the creation of fictional stereotypes of low-class Australians that could be subsequently mocked. Contrary to the fictional portrayals, there is no relationship between socio-economic status ...

Immigration vs Migration. The terms immigration and migration are sometimes confused by native English speakers and language learners alike: as are the words immigration and emigration. All of these are related to the movement of peoples between countries, but they are all subtly different. Migration is a noun that is used to describe the movement of people, or even animals, between countries.
