We will write a custom essay on No Reparations for Blacks for the Injustice of Slavery specifically for you for only \$16.05 \$11/page Learn more Yes, no one can deny that black slaves suffered under the tyrannical rule of their white masters, and it is purely wrong that the U.S. government took a very long time to apologize and offer help to ...

### **No Reparations for Blacks for the Injustice of Slavery**

The task of mapping a legal path to enforcement of Black reparations, however, remains a challenge for legal theorists and policymakers attempting to pursue alternative routes to social justice because of the increasingly cramped space provided by litigation for remediation of injustice.

### **The Case for Black Reparations - University of Dayton**

The concept of reparations and the ensuing demand for intersectionality taxes and subsidies for other victim groups would balkanize our society. The aims of our social and economic policies should be to build a modern, forward-looking society that offers equal protection before the law to all people regardless of race, color, creed, or sexual identity.

issues surrounding reparations schemes, in other words, are as important as the high-level questions about justice and injustice that are usually the focus of reparations debates. These claims are intended to fill large gaps in the literature. Despite a cascade of recent writing on reparations, and on associated topics in

**Reparations for Slavery and Other Historical Injustices**

The latest attempt by blacks to extract race-based benefits from whites is the increasingly popular demand for "reparations" for the injustice of slavery. Although neither Congress nor any state legislature is likely to pass a reparations act any time soon, black activists are laying the groundwork for what they hope will be a massive transfer of wealth from whites to blacks.
