Return of the Living Dead 3 is a 1993 American romantic horror film. The film is the second sequel in the Return of the Living Dead film series but bears little resemblance to its predecessors, as it drops the comedy of those films and replaces it with a larger focus on horror, science fiction, and romantic themes.

Socrates - ADEIMANTUS Such then, I said, are our principles of theology --some tales are to be told, and others are not to be told to our disciples from their youth upwards, if we mean them to honour the gods and their parents, and to value friendship with one another. Yes; and I think that our principles are right, he said. But if they are to be courageous, must they not learn other lessons ...
