

## *Software Development Interview Questions*

### Software Development Interview Questions

As I noted in previous post, I left my role to join a new team.. Before I left, a big part of my time was spent interviewing the potential candidates to replace me. As I was setting up the process and working with my team, one of the first questions that came up was "How do you interview someone for a job you have never had?"

### Interview Questions for Software Development Managers and ...

Uday Kumar 9th August 2012 at 00:03 wow! really opened my mind to a few things I normally do during s/w dev management but wouldn't really be put it in so many words!

### Technical Interview Questions for Software Development ...

One I generally like is: Name three primary attributes of object-oriented design. Describe what they mean and why they're important. It amazes me how so many developers out there think that OO is nothing more than "classes with methods/members on them" and maybe "inheritance for sharing functionality."
