There are many meetings and contests where one can meet fellow knife- and axe-throwers. Throwzini has an overview of the meetings in the United States, while we cover Europe primarily. (If you know of any meeting, please send us an email.) The largest event in Europe has so far always been the Big Throwers Meeting / European Championship. For many competitions, the standard European Knife and ...

Knife Thrower Meetings and Competitions

Impalement arts are a type of performing art in which a performer plays the role of human target for a fellow performer who demonstrates accuracy skills in disciplines such as knife throwing and archery. Impalement is actually what the performers endeavour to avoid - the thrower or marksman aims near the target rather than at him or her. The objective is to land the throw or shot as close as ...

Impalement arts - Wikipedia

"The hand of the master is guided by skill and set free by inspiration." (author unk.) Where does it all begin? Throwing a knife: to hit a tree...to stick and not fall...to hit a target -- a bulls-eye... to miss a human assistant...to be several inches from your assistant...to break a balloon between your

Throwing Knives - Pro and Amateur Star and Knife Sets ...

A kitchen knife is any knife that is intended to be used in food preparation. While much of this work can be accomplished with a few general-purpose knives - notably a large chef's knife, a tough cleaver, and a small paring knife - there are also many specialized knives that are designed for specific tasks. Kitchen knives can be made from several different materials.

Kitchen knife - Wikipedia
