Newsweek, likewise, did a cover on him, with the headline "The Man Who Started It All." This was a perception fostered by the U.S. government. It had released an official history of the atom bomb project that assigned great weight to a letter Einstein had written to President Franklin Roosevelt warning of the destructive potential of an atomic chain reaction.

Early life and education. Hoffman was born in Poland, the daughter of film director Jerzy Hoffman and his Armenian former wife Marlene. She lived with her mother in the Armenian SSR until age 10, when she went to live with her father in Warsaw, Poland. Around age 12 in 1967, her mother married an American and moved to Buffalo, New York; she got her visa and soon joined them in the United States.
