Law of energy efficiency: "Use as little force as possible" leads a Martial Artist to flow smoothly & move lightly like dancers (of course that Martial Artists need to be sharper, more dynamic & are probably in different state of mind.). Then, the Martial Artist create movements spontaneously as a proper artist. In the fight a Martial Artist often uses the right brain's hemisphere (the ...

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of topics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-provoking.
