Disney's Wreck-It Ralph is about a video game villain who wants nothing more than to be the good guy for a change. But when Ralph finally gets his chance, he discovers that being the hero isn't as easy as it looks. Soon the entire video game world is at stake, and if Ralph doesn't play to win, it could mean "Game Over" for every game in the arcade!

An audiobook (or talking book) is a recording of a text being read. A reading of the complete text is described as "unabridged", while readings of a shorter version, or abridgement of the text are labeled as "abridged".. Spoken audio has been available in schools and public libraries and to a lesser extent in music shops since the 1930s.
