Why Write Learning Objectives? Why go to the bother of writing learning objectives for your training program? We see many programs that simply wear participants out by being "nine miles long and one inch thick" with little opportunity to engage learners and practice skills and in the end serving no useful purpose for the organization paying for the program.

Workplace Change was created after the owner encountered an extremely toxic work environment. While helping others in the organization work through their trauma and stress, she realized it was more impactful to go upstream to coach leaders towards organizational change and efficacy than manage the aftermath of ineffective leadership.

Workplace Change - Changing the Workgame

A decade ago, I put forth a list of eight questions designed to determine whether or not a workplace is psychologically healthy, productive, and socially responsible toward its own workers. I called it the "Eightfold Path" to a psychologically healthy workplace. Looking back at it, I would add "dignity affirming" to the qualities implicated by these questions.
